

**Taxiway Renaming Project – Changes to LAX Taxiways Effective December 05, 2019**

Phase 6 of the LAX Taxiway Renaming Project is scheduled to be complete on Thursday, December 05, 2019. Phase 6 includes the changes indicated below:

**Taxiway Name Changes**

- Taxiway S will change to Taxiway K
- The segment of Taxiway T between Taxiways B and E will change to Taxiway L
- Taxiway T1 will change to Taxiway K2
- Taxiway T2 will change to Taxiway K3

Taxiway K1 is currently under construction and is estimated to be completed Friday, December 20, 2019. Taxiway K1 will connect Taxiways K and L and will be located south of Taxiway K2 currently indicated on the attached LAX Airport Diagram. A NOTAM will be issued when the new Taxiway K1 is available.

There is an error in the FAA LAX Airport Diagram published effective December 5, 2019. The corrected LAX Airport Diagram has been submitted to the FAA and has been posted to the FAA's [National Flight Data Digest \(NFDD\)](#). LAX Airport Operations has requested commercial aeronautical chart providers to publish the most current information during their next publication cycle. All aviation charts are anticipated to include the corrected taxiway information by January 30, 2020.

Please check Notices to Airmen (NOTAMs) for current LAX airfield operating conditions at <https://pilotweb.nas.faa.gov>.
