Los Angeles World Airports

VENDOR DELIVERY PROGRAM

(LAX AOA)

NOTICE OF VIOLATION

Violation:

Vendor Delivery vehicle parked in violation of LAWA's Vendor Delivery Program effective Oct. 1, 2015 and revised August 14, 2018.

Authorization to Move Vehicles- Vehicle Impound

The Executive Director may move, or cause to be removed (at the owner's/operator's expense) from any restricted or reserved area, any roadway or right-of-way, or any other area on the Airport, any vehicle which is disabled, abandoned, or illegally or improperly parked, or which creates a safety hazard or interferes with airport operations (Authorization to move vehicles or Impound Vehicle per LAX Rules and Regulations Section 11-10).

Subsequent violations will result in citations being issued in accordance with LAWA's SAFE Program. Points may be assessed against your LAWA issued badge. The LAWA Vendor Delivery Program establishes approved times and delivery locations at all terminals in order to standardize vendor deliveries to each terminal to ensure safe operating practices and to ensure minimal impact to airline operations. The program also requires each vendor delivery driver to receive additional specialized driver training before being allowed to operate a vehicle on the Air Operations Area (AOA).

Please contact LAX Terminal Operations or LAWA's Commercial Development Group (CDG) for more information.

Vendor Delivery Program Manager

Jose D. Rodriguez, LAWA Terminal Operations
Office: (424) 646-5034
